PREFACE

Since July 2014, when the most recent codified version of the Eureka County Code (“ECC”) was adopted, numerous ordinances have been adopted creating revisions, modifications, or additions of several Titles of the ECC.

During this July 2018 re-codification of the ECC, those ordinance were compiled and edited by staff of the Eureka County District Attorney’s Office. This re-codification is solely to codify and organize the ordinances adopted since July 2014, as well as correct typos, and to continue with a pagination that allows for easier supplementation.

The code is organized by subject matter under an expandable three factor numbering system similar to the old Code to allow for supplementation without disturbing the numbering of existing provisions. The numbering system includes a Title, Chapter, and Section. For example, ECC 1.10.010 is Section .010 of Chapter 10 of Title 1, entitled “Enactment of Code.” Sections are numbered by tens (.010, .020, .030., etc.).

Legislative history is provided by reference to the repealed original 1989 and 2006 codifications as amended. A Table of Contents is provided at the beginning of the new Code and at the beginning of each Title.

Copies of the new Code are available by requesting a copy from the Office of the Clerk, P.O. Box 677, Eureka, Nevada, 89316, accompanied by payment in the amount of \$25.00. See ECC 1.10.130. This fee may be changed by resolution of the Board of County Commissioners at any time.
